

Whether you're looking to jump start your professional career or searching for that next opportunity, our team at KKDLY LLC is interested in meeting you! We are seeking talented, highly motivated individuals eager to develop into well rounded professionals. Our firm values professional development while fostering an environment of work-life balance, team work, and an open door policy.

Tax Internship Program

KKDLY's tax practice is looking for bright individuals hoping for a sneak peek at the public accounting industry. We offer professional growth and opportunity with our experienced management team and clientele that represent organizations and individuals from various industries and companies in the State of Hawaii. Specific responsibilities will include:

- Assisting tax professionals in preparing various income and general excise tax returns, with a focus on gaining familiarity with our tax software and working papers
- Receiving mentorship and guidance from our tax professionals
- Interacting with multiple clients and understand clients' industries and operations

Qualifications of the interns include:

- Pursuing an Accounting degree or recent graduated from an accredited university and/or a Certificate in Completion in Income Tax Preparation
- Ability to manage assignments in a team environment
- Proficient with Microsoft Office Excel and Word applications
- Commit a minimum of 16 hours per week
- Any level of experience in accounting

If you are interested in joining our ohana, please submit your resume and transcripts to Kerri Yamamoto at kerri@kkdly.com
